**FOR IMMEDIATE RELEASE
October 23, 2017**

BLOOMINGTON, Ind. – Smart is the new superpower in *Brain Candy Live!*, coming to IU Auditorium for one night only Thursday, March 6 at 7:30 p.m. Tickets go on sale at 10 a.m. Friday, October 27.

Adam Savage, former co-host of the Emmy-nominated Discovery series *MythBusters*, and Michael Stevens, creator of award-winning YouTube Channel *Vsauce*, have joined forces to bring this one-of-a-kind interactive, hands-on, minds-on theatrical experience to Bloomington.

They're master explainers, bringing along their crazy toys, incredible tools, and mind-blowing demonstrations for a celebration of curiosity. Audiences are engaged and enthusiastically test subjects and participants as they spend two hours laughing, learning, and exploring during a theatrical experience like no other.

Brain Candy Live!! has played to packed houses across the country on their tour, with many sold out performances. The spring tour performed in 40 cities including New York City, Chicago, Pittsburgh, Detroit, and LA.

More information on *Brain Candy Live!* can be found on Facebook: [/BrainCandyLive](https://www.facebook.com/BrainCandyLive), Twitter: [@braincandylive](https://twitter.com/braincandylive), and online: www.braincandylive.com.

Brain Candy Live! is presented by 35 Concerts and The Roberts Group, and is produced by MagicSpace Entertainment (www.magicspace.net).
